

28th Annual Graves Mountain Music Festival – Roots & Branches

Please note that the bands and schedule are subject to change.

Graves Mtn Seating

For 2022, there will be 100 camp chairs in the front of the performance area open to anyone who wishes to sit up front. They may not be claimed but, rather, are for frequent rotation. We want the bands not to have a sea of empty chairs before them.

Standing and dancing is welcome

There will now be an area upfront by the stage (6 ft high this year) for standing and dancing. This again is to give the bands more energy with which to communicate.

Alcohol. Beer, Wine Cider

For 2022, the performance area is licensed for alcohol sales. This means that outside alcohol will not be allowed in the River Stage area, There will be the Beer, Wine and Cider Tent – the BWC.

THURSDAY, JUNE 2
